

# MIDSTATE MIATA CLUB OF NY

## "MIATA/MX5 MEANDERINGS"

Volume 6, Issue 4, June 2022

### President's Letter from Karen McKissock

I'd like to welcome so many new members and thank our previous membership for all their renewals. It's good to see so many friends continuing to Zoom Zoom with us!

A few things:

- We have just reprinted all our Club brochures with a couple slight changes with the most significant being the name/address of Bev Wike as our new Treasurer for all new members and renewals going forward. Please either discard your old ones or scratch off Ronnie's information and replace it with Bev's, listed on page 17. Your Area Rep will be receiving the new ones within a week so please reach out to them to refill your glove boxes. Or if you don't think you'll be seeing them soon (like at ice cream), please [email](#) or text me (585-820-6010) and ask me to send you some directly. It's no problem to do so.
- As the season moves forward and we really get started we will continue to add more rides. Please watch the newsletter, [website](#) and your Area Rep's email for news. If anyone has yet more ideas

please let [Jay Cartini](#) and [me](#) know and we'll get it approved as quickly as possible.

- I hope you are all considering joining in for the Club picnic on July 3rd. Check out the article below for details, see page 7. And don't forget that the Marcellus Parade is back this year! Always a favorite event.
- And last, but not least, we are confirmed with The Point at Sand Beach in Auburn for Dec.4th for our Annual Holiday Party brunch! More details to follow soon. See page 11.

On a side note, I'd like to share that our long time Membership Chair, Bob Sabella, is working hard to fight the Covid virus. He's been in the hospital for several weeks but he's slowly moving forward with his recovery. Please keep him and Ronnie in your thoughts and prayers.

Remember that you need to contact the Event Coordinator **and** your Area Rep if you decide to participate in events. It really helps with their planning and logistics.

Zoom Zoom

## Saturday, June 4, Marcellus Parade

Event Coordinator – Chuck Paul, Syracuse Chapter

It has been a while since we have been in this parade and I am sure it will be a super parade again this year. The time is coming again for the annual Olde Home Days Parade in Marcellus. The day starts early when more than 45 vendors and informational booths line Main Street for “the way it used to be” on parade day. Anytime after 12:00 there will be activities (mostly food vendors) in Marcellus Park (Platt Road). How about a sausage sandwich pre-parade?

We will likely meet at the convenience store located at the intersection of Pleasant Valley Road and Route 175. Meeting time is 2:45 pm and the parade starts at 3:00 pm. We line up trying to vary colors (some are more obsessive than others). Rotary club who is in charge of the parade has directed that candy should not be “thrown” but may be “given” to individuals. The parade ends at beautiful Marcellus Park where we will re-group and count the cars (40 is the record-can we beat it?). We will shortly depart for a short scenic, drive ending at Skan-Ellus drive-in for great food and ice cream or have a picnic in the park. This location is a great jumping-off point in all directions for the drive home.

Watch for developing details!

Register with Chuck at [cpaul@twcny.rr.com](mailto:cpaul@twcny.rr.com) or 315-673-4432 and your Area Representative.

## Thursday, June 30, Tour the National War Planes Museum

Event Coordinator – Nancy and Bill Lowe, Rochester Chapter

We will meet at 11:00 am and departing at 11:30 am. from [City Tavern](#) parking lot, 7635 NY Rt-96 in Victor NY. Drive 20-miles to lunch at [Tom Wahl's](#) in Avon at approximately noon, where we will have lunch. Depart Tom Wahl's for short ride to the National WarPlane Museum near Geneseo.

She flew as one of the lead aircraft dropping paratroopers in the first strike of D-Day in 1944. This great aircraft is still flying! With any luck, we may actually get to see this great plane in the air.

Incidentally, rides on this incredible aircraft are available but must be booked in advance. To do that, go to this [webpage](#).

Other planes on display include a C-130 Hercules, a C-119 “Flying Boxcar,” a C-45 Expeditor, a PT-26 trainer and more.

There are also outstanding static exhibits depicting life at home and abroad during the years of WW II. In addition, the Museum displays a military uniform collection as well as military vehicles and other artifacts.

There will be no admission charge to the Museum but they do encourage visitors to donate as this is a non-profit organization and every little bit helps keep their mission alive.

## Saturday, July 16, Exploratorium 2022 (Note date correction to July 16)

Event Coordinator – Darius Kasinskas, Rochester Chapter

Come and enjoy a great ride in the Finger Lakes while searching for answers to clues. We will provide you with a list of clues to identify something specific and a map showing you where each item is, but not which clue is at which location. You plan your route, and each Miata/MX5 can go a different way. Most of the answers are on the main roads. A few are off the main road but visible from the main road. Some are easy to find, and some are less easy to find. None of the clues are difficult or tricky! A few items require you to walk as much as 100 feet to read letters on a sign. At some locations, you will be able to get the answer while sitting in your car. You can reach all clues via paved roads that are in good condition.

You will be driving in the area bounded by the Thruway to the north, but not driving on the Thruway, Canandaigua Lake to the west along its length, and midway to Seneca Lake. The entire drive should be about 80 miles. It is best with two people per car, and they work together. However, you can do it alone. Gas, restrooms, and food are available at many locations along the way, especially in the northern part of the drive. You can stop at the RUSHCO Oil (gas station and more), 1 Warehouse St, Rushville, shown on the map, in the southern part of the drive.

*This event is NOT a road rally or a poker run.*

Breakfast is at Roy's Restaurant at 8:00 am. we will meet to start the event here.

Lunch is at Ray's Restaurant afterward, at about 1:00 pm.

Signup on or before Monday, June 6 (Note date correction to June 6), and you will win a token prize. I need the advance signup to order and receive the token gifts before the event. Sign up afterward to enjoy the competition without winning a prize.

Come and enjoy some new and different roads.

[Roy's Restaurant](#), 4123 NY Rt 96, Manchester. Meet at 8:00 am for breakfast and briefing.

[Ray's Restaurant](#), 2510 Rochester Rd., Canandaigua. Plan on finishing your drive, complete or not, and being at Ray's at about 1:00 pm for lunch and awards.

Contact and register with Darius at [miata@kasinskas.com](mailto:miata@kasinskas.com) and your Area Representative.

## Saturday, July 23, Hard Cider Crawl

Event Coordinator – Ray Mosher, Syracuse Chapter

This is mostly a repeat of previous runs. We meet at the Byrne Dairy on US-20, Lafayette, just west of I-81 (the same location that the Apple Fritter Crawl begins), to start our drive. We meet at 11:15 for an 11:30 departure. Snacks, potties and gas are all available here. After about a 30-minute drive we arrive at Critz Farms Brewing & Cider Co. near Cazenovia to taste their cider and beer. (There may be a food truck). Then it's an hour or so of backroads driving to Awestruck Ciders in Sidney. Awestruck has great ciders (including Hibiscus Ginger and Lavender Hops) and snacks. Then, a return drive home via a mostly different route, stopping at 1911 Beak & Skiff. The Binghamton and Ithaca Chapters could organize their own drive to meet at Awestruck Ciders. Bring your growlers! Bottled products are also available.

This is a shine only event, but will be cancelled only in the event of a total washout day. We will run with the odd shower. There is no food on the run until we get to Awestruck around 2:30, so plan to eat lunch before you come or bring a snack. There are toilets at each stop, but none planned on the road. Indoor and outdoor seating is available at all venues.

Check out food and drink menus at [Critz Farms Brewing & Cider Co.](#) and [Awestruck Ciders](#) and [1911 Beak & Skiff](#)

## Friday, September 9, Watkins Glen Grand Prix Festival

NON-CLUB SPONSORED EVENT - For Informational Only

Every year, on the Friday after Labor Day, Watkins Glen celebrates the [Grand Prix Festival](#). For those of you who are unfamiliar with racing and Finger Lakes history, in 1948, Watkins Glens hosted the first post-World War II auto race in the USA. Cars raced on the local roads including running straight through the middle of town. The racing continued each year until following a fatal accident in the 1952 race, after which the race moved to a dedicated track and later to its current facility now called Watkins Glen International (WGI).

The weekend after Labor Day, WGI hosts a weekend of [Sportscar Vintage Racing Association \(SVRA\)](#) vintage car racing. On the Friday, many of these vintage race cars come down from WGI en masse, lap the 6.6 mile “old course” (which still exists pretty much as it did in 1948) and park on Franklin St for the evening. Spectators line the streets to celebrate a tribute to the return of these vintage racers to the village of [Watkins Glen](#). During the day, a number of “tours” are held for the auto enthusiasts where you drive your car along a prescribed course, have a group lunch, do laps of the old course, park in a group and generally have a good time. One of these is the “Sporting Roadster Tour”. This is limited to sporting convertibles to which the Miata/MX5 certainly qualifies and a number of our members participate every year.

Whether you come for the evening to watch the cars roar through town, see all the cool cars parked in town, spend the day on a tour, or attend the vintage races at WGI, it's a great time. I encourage you all to check it out! See [GrandPrixFestival.com](http://GrandPrixFestival.com) for full details.

## Wednesday, October 12, Sprague's Maple Farms with the Niagara Miata Club

Event Coordinator – Chuck Rischenole, Rochester Chapter

It's time again for the annual ride with the [Niagara Miata Club of Western NY and Southern Ontario](#) to [Sprague's Maple Farm](#) in Portville. If you haven't been there before, take a look at their lunch menu on their website.

We will meet at the [McDonalds in Avon, 250 E. Main St.](#) for a pit stop and drivers meeting at 8:30am and we will depart at 9:00 am A.I.S.M.R. (I will explain for any new members). This will be approximately a one hour ride to meet up with the Niagara Club for the ride to Sprague's and pit stop at the [Burger King](#) and gas station. The drive will include a stop at the [Cuba Cheese Shoppe](#) in Cuba NY. If you have never been there before this is one of those "if we don't have it you didn't need it" stores for cheeses. The Niagara Club uses the FRS radios Channel 5 for communication on their rides so if you still have one stashed away in a drawer or box somewhere bring it along. After lunch we will do a return trip with [Colby's Ice Cream & Bake Shop](#) in Rush as our final destination. I can guarantee you good food, good ice cream, and some great roads. [Sprague's Maple Farm](#), [Cuba Cheese Shoppe](#), [Colby's Ice Cream & Bake Shop](#)

If you choose not to stop at the Cheese Factory Store just continue on route 305 south to Sprague's where we will meet up to go into the restaurant together.

There will be a new route for the return trip to Colby's in Rush as our final destination. No more three mile downhill ride from Stoneybrook Park to Dansville

Item 2 of 3. Here is a black hoodie that anyone with any generation of Miata/MX5 would love. It features all four generations in profile. The front of the rosters is shown on the front of the hoodie and the rear profile is shown on the back of the hoodie. It is size 2XL. Hoodie I have worn several times, asking \$45.00, and I will pay shipping to a club member!

Item 3 of 3. Both shirts are from [Thompson Automotive](#) out of California. The are Hawaiian shirts and have just the Miata cars on them, washable, and have been worn a couple of times. The lighter shirt features the first three generations and the darker shirt features all four generations of the Mazda/MX5. Both are size XL. The cost new was \$55.75, for each shirt. I am asking \$25.00 each. I will pay shipping to a club member!

## Cleaning the Front Window Glass, by Chuck Rischenole

If you are looking for an easy way to clean the bugs, dirt, and whatever off your windshield, give this a try. Buy what the ladies call a 'nail brush' at the \$ Store or the \$1.25 Store (due to inflation). Spray on with whatever you are using for a glass cleaner and scrub away. Finish by wiping the glass dry, wash out the brush, and you are good to go until the next time.

## CLUB INFORMATION

---

**Ice Cream Nights:** The schedule for all four Chapters' Ice Cream nights is on this [shared spreadsheet](#). Same file each month, just updated.

**Website:** Our Club has a [website](#) that most of you know about. It now works well on your phone too!

**Facebook:** Our Club is also on [Facebook](#), with 555 followers. Members' posts are [here](#). There are new posts almost every day!

**Maps:** Every wonder where Club members live? Check out this [map](#). And ... [Syracuse](#) [Rochester](#) [Binghamton](#) [Ithaca](#) Did you know that the maps have been viewed 609 times?

**Deadlines:** Submissions for the newsletter are due to the newsletter editor on the twenty-fourth, 24th, of each month.

**Events:** When advertising your event, include details. Write it as an ad, remember date and rain date if applicable, meeting location and time, the distance of the drive, and maybe a photo. It does not need to be long but should include everything to encourage participation!

**Flyer:** You can print the Club Flyer, the trifold with Club information and an application form.

**Registration:** To help streamline communications for gathering the list of who is attending our events, we will require members to contact the **Event Coordinator directly AND copy your Area Representative** to help them plan for caravans from your area. You will only need to respond if you are planning to attend, but if you need to cancel last minute, you still need to let both parties know so they don't hold up the ride waiting for you. Please pay close attention to the contact info and deadlines. When an accurate or advanced headcount is required, please do not just show up for an event. Register ahead of time with the event coordinator and your Area Representative. See below.

**Guest Waiver:** Here is the [guest waiver form](#). If you are going to bring a guest, then you must print, complete, and give it to the Area Representative or Event Coordinator.

**Rules:** [Caravan Rules](#) to consider before the event. Sunscreen, sunglasses, hat, or visor are recommended. Make sure that your gas tank is full and your bladder is empty.

**Reports:** When writing the after-event report, try to include what people enjoyed. Everyone enjoys hearing about the people and people in or next to their Miata/MX5s.

**Hosting Events:** *Would you like to host an event, but not sure where to start?* We have written this guide and will have mentors who will help you. [This link](#) will take you to the document, "Beginners Guide to Route Planning." For the more experienced people, there is a shorter checklist at this [link](#).
