

MIDSTATE MIATA CLUB OF NY MIATA / MX-5 MEANDERINGS

President's Letter, from Karen McKissock

So here we are wrapping up the 2023 Midstate Miata Club of NY driving season and thinking about all the wrapping we must do in the next few weeks. I don't really like either of these things to do as the first one means we won't be doing any driving of our cars for a few months and the second is why I 'wrap' in bags instead of paper. Lol!

But seriously, it was a really good year for a lot of driving/riding in our favorite cars and seeing lots of new venues and sights with a bunch of new riding events...thanks to our many Event Coordinators. Without them we would have been home doing lawn chores and not spending time with old and new friends. Having the folks that inventively create new events and continue to coordinate some of the old favorites is critical to our enjoyment of our cars, so I'd like to thank everyone who provides their support of the club for the benefit of us all.

I'd also like to thank the Leadership team for their support and time. Our club cannot exist without all of them and I wish them a Happy Holiday season as well.

And to that point I need to remind you all to participate in the election of our officers for the 2024-2026 seasons. John has included the timing and actions needed later in this newsletter, page 2. Please read it and respond with your candidates accordingly. We need officers to 'run' the organization. Deadlines are in his article for your convenience.

Also there is a Save the Date notice for our 30th Anniversary Party later on in this document, page 5. Please mark your calendar to participate in a fun filled weekend. We are finalizing the details such as cost and timing soon and will share with you in early January. Stay tuned.

To close this note I'd like to thank each and every one of you for being members and making it possible to drive our cars, meet new friends, visit with old ones and eat ice cream. Ron and I are looking forward to another super year next year. Please enjoy your family and friends during the holiday season and we'll see you next year.

*Always Zooming,
Karen*

ELECTIONS, 2024 - 2026

Officer elections for the Midstate Miata Club of New York

Nominations for elected Club officers are open since November 1, 2023 for all members who are in good standing and have joined our Club on or before August 1, 2023. They will remain open until **January 30, 2024**. The pilots and the co-pilots may each submit nominations. You may read the complete description in the bylaws, Article VII, on the Club website or click on [this link](#).

Send your nominations for officers to Karen McKissock, President. She will confirm that your nominee is interested in holding the office. Click on [this link](#) to use the online form or [this link](#) to obtain and print your nomination form, or you may simply email Karen your nominee's name.

WELCOME NEW MEMBERS!

Welcome to the Midstate Miata Club of New York!

We have many events planned each year, some with meals and ice cream. If you recently joined the Club, please keep your orange sticker on your ID badge for 2024, so the old hands can say, "Hi, and Welcome to the Club!"

30TH ANNIVERSARY IS ON APRIL 10, 2024. FOUNDED ON APRIL 10, 1994

Do you remember these early ads?

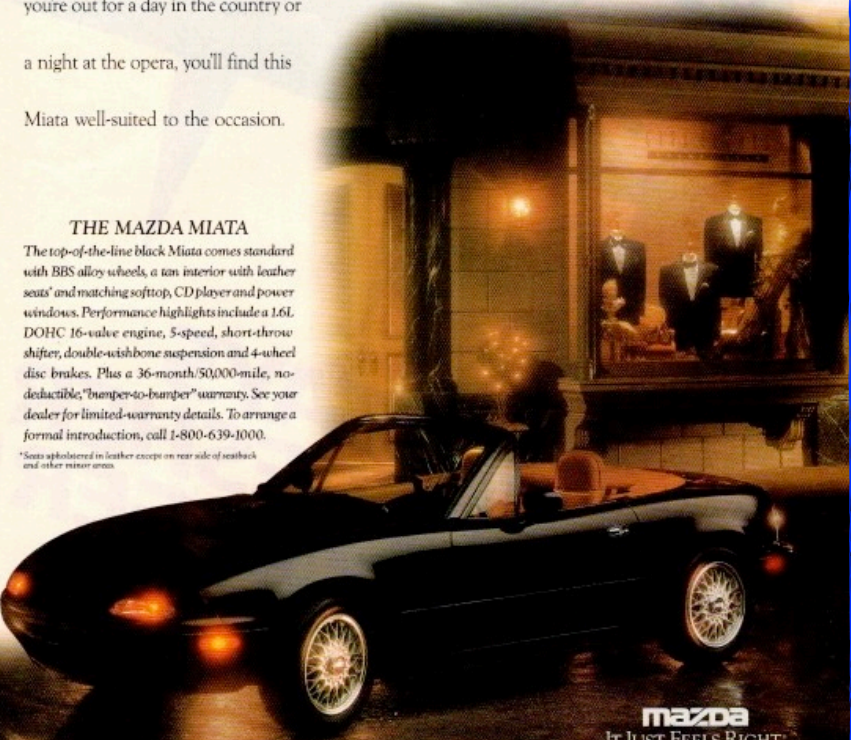

It seems fitting to recall some of the Miata's history as our Club approaches 30 years old.

Thank you Al & Merrilee MacWilliam

YOU'VE ALWAYS LOOKED GOOD IN BLACK. It's a color that's the very soul of sophistication and style. One that's quite appropriate for the latest Mazda Miata. A car whose technical sophistication has drawn rave reviews. And whose style has been hailed as classic in its own right. As with every Miata, the thrills are built in. You'll cut and thrust in city traffic or carve up a mountain highway with equal skill, all accompanied by the throaty growl of a tuned exhaust. The scent of leather and the exhilaration of top-down driving make the sports car experience complete. So whether you're out for a day in the country or a night at the opera, you'll find this Miata well-suited to the occasion.

THE MAZDA MIATA
The top-of-the-line black Miata comes standard with BBS alloy wheels, a tan interior with leather seats* and matching softtop, CD player and power windows. Performance highlights include a 1.6L DOHC 16-valve engine, 5-speed, short-throw shifter, double-wishbone suspension and 4-wheel disc brakes. Plus a 36-month/50,000-mile, non-deductible, "bumper-to-bumper" warranty. See your dealer for limited-warranty details. To arrange a formal introduction, call 1-800-639-1000.

*Seats upholstered in leather except on rear side of seatback and other minor areas.

REQUESTING EARLY REMEMBRANCE

Do you have any stories from your early days in our Miata club or other early Miata clubs? It would be great to see early newsletters or photographs! You may not have digital pictures from the 1990s or early 2000s. You can use your phone or scanner to copy the photo of the Polaroid or Kodak print.

Were you an early member of the Midstate Miata Club of New York? Or maybe a member of one of the other early Miata clubs, such as the Finger Lakes Area Miata Enthusiasts (F.L.A.M.E.)? Please contact me with your stories!

[Email](#) me or [post](#) all your remembrances from back in the day. Or we could talk, and I'll write a summary of our discussion.

Were you or do you know of any early Miata clubs? Please let me know!

Or you can mail me your old photographs. I'll copy them and send them back to you. Be sure to include your mailing address. My address is John Amon, 480 Colby St, Spencerport, NY 14559

POST EVENT REPORTS

Saturday, September 30, Ride with the Lehigh Valley Miata Owner's Club

Event Coordinators - Nancy Wildoner & Alison Schaefer, Binghamton Chapter

On Sat Sept 30, 10 cars left from Binghamton to enjoy a scenic ride on PA country roads to Honsdale. There

we met drivers from the [Lehigh Valley Miata Owners Club](#) for a chat, followed by another drive with all 20 cars to lunch at [Frank's Place](#). It was a beautiful fall day, and we will likely do it again next season.

Saturday, October 28, #2 Middlesex Roast Beef Dinner

Event Coordinator/Committee - Elisha Kasinskis, Rochester Chapter

A hearty group of 14 club members in seven Miatas got a "second helping" at the popular [Middlesex Hose Company](#) roast beef dinner on October 28th. Slated as the last of the fundraising dinners of 2023 for the Hose Company, our group drove a new route to Middlesex, had a hearty dinner, and capped off the evening with ice cream at [Cheshire Farms Creamery](#).

We thought this pop up event would be the last driving event for the year, but another club member saw that as a challenge;

see the related story about the Windmill run!

Saturday, November 11, Binghamton Veteran's Day Parade

Event Coordinator - Barb Huntington, Binghamton Chapter

Larry Davis and Del & Virginia Austin from the Mid-State Miata Club of New York represented the Binghamton Chapter in the Veterans Day parade held on Saturday, November 11, in Binghamton.

Present were military units, bands, and several car and motorcycle clubs. We were there with our two lone Miata's (tops down and flags waving honoring our Veterans).

Thank you all for your service.

Report and photo by Del Austin.

Saturday, November 18, The Windmill Run

Event Coordinator - Al & Merrilee MacWilliam, Rochester Chapter

On Saturday, November 18, 2023 fifteen Club members, driving eight Miatas (and a Buick) met in Bloomfield, NY to embark on The Windmill Run. This was a "pop up event" which had only been conceived a week before it happened, which led to some unforeseen results! We drove scenic back roads to Branchport, NY, then cruised to the end of Bluff Point, which separates the east and west arms of Keuka Lake. Here we found our return road blocked by Jersey barriers! We took the only other option besides a U-turn, and it all worked out.

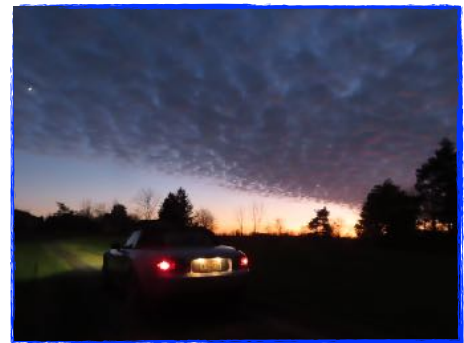

Lunch was at the [Oak Leaf Cafe & Bakery](#) near Penn Yan (another deviation from plan) then we continued on to The Windmill. [The Windmill Farm & Craft Market](#) consists of 175 vendors, many of them selling products built by Amish businesses.

After an hour of shopping, and a rare sighting of The Miata Moose Herd, we headed south to Hammondsport, NY then up the west shore of Keuka Lake. We arrived back in Canandaigua at 3 PM and finished our 121 mile run with ice cream at [Cheshire Farms Creamery](#).

The day had held beautiful weather, interesting roads, lunch and shopping with good friends, and bonus miles covered in Miatas!

And so ends the driving season for most of us.
It has been a great year!

Sunday, December 3, Annual Holiday Party

Event Coordinator/Committee - Karen McKissock & Susan and John Amon, Rochester Chapter

So, we ate too much, laughed too much and gave Al MacWilliam the honor of the best Christmas sweater.

After a few last-minute cancellations due to illnesses, we had 55 folks joining us for another wonderful Holiday Party at the Point at Sand Pointe in Auburn. As always, the hall was beautifully decked out as were the guests, some of which were hard to recognize with their party clothes instead of casual driving outfits, but it didn't take long for friends and new acquaintances to join together for food and fun.

As usual the food was excellent, and the service was as well. We've never been disappointed in having our party there but this year we had a surprise visit from Santa who helped with registration! He couldn't have looked more authentic, and I thank him and Mrs. Claus for their help and bringing an extra touch of fun to the party.

After cocktails and brunch, we got right down to the entertainment for the morning

with the Ugly Sweater contest followed by the Left Right game with lottery tickets. An informal survey indicated that several folks won a couple bucks, but a few won \$20 or \$40 on theirs. Congratulations! When everyone was seated, we moved on to our White Elephant gift exchange where some interesting items were revealed. The tradition lives on...

Next, we turned it over to Jay Cartini to present the member appreciation gifts to the Leadership team and Event Coordinators. It was 'buckets' of fun... private joke for participants that were there.

The day closed with lots of hugs and well wishes for the holidays. We hope to see you all at next year's party too.

And a special thanks to Susan and John Amon for their work on making this a party to remember. It was great to have a committee to drive this event to a success.

MEMBER STORIES

Are you interested in telling your story? I know that there are many great stories out there! Send it along to me, John Amon, at John.N.Amon@gmail.com.

Club members have many interests and we are always interested in learning about things Club members are doing. You could share your interests and maybe expand your circle of friends. We all have other interests.

An interesting Miata story.

Your favorite ride.

A trip that lasted a week or more.

An upgrade that improved your Miata.

Your other car (toy).

A repair you did.

How you volunteer your time.

Other hobbies or interests you have.

Let's put our thinking caps on and start writing a piece for 2024!

Because we all have Miatas in common, and more broadly, sports cars, let's feature a Club member's *other* sports car, past or present, each month in the 2024 Newsletters. I have only been in the Club for a year, but I know of members who own an Alfa Romeo, Triumph TR6, Triumph Spitfire, Porsche, and Puma. If we got looking I'm sure we could find more!

I envision the feature using about one page, with a couple of pictures of the car's exterior, interior, and under the hood. Tell us what kind of power the engine makes, the transmission type, and any interesting specs of the car. Tell us your story with the car.

("I bought it while in the service, and drove it all over Europe before having it shipped home."

"I bought it as a flood car and have been going to get started working on it *soon*, for thirty years.")

Who knows what we will come up with? A Ferrari in a barn? Someone with a car you HAVE TO OWN? Someone with a car you once owned! Does anyone else think this would be fun?

Help for Minor Repair – NB “Floppy” Cup Holder Lid

Is the lid on your NB center console cup holder floppy? Does it pop open at the slightest touch or bump in the road? Mine was and it really bothered me. We thought about putting Velcro or a weight on underside of the lid but that seemed like too much of a cob job. So, the next step of course was: To The Internet!

After some searching, I found a [YouTube video by Gordon Tarpley](#) that showed the problem and the solution for it.

This guy did a really great job in the video showing the disassembly, repair and reassembly for the job. It takes a little bit of work to remove the center console, but it is only 5 screws. And, if your car is like mine, you'll find exactly where the mice were hanging out that one winter you found some evidence of mice when you got the car out in the spring.

Here's a picture of my cupholder with the repair before reassembly into the center console.

While you have cup holder out, check that the pivot collar on the lid has not been damaged. Mine was starting to split so I added some superglue to reinforce it.
