One-of-a-kind **cherry red** 1991 Mazda Miata. With over 120 modifications, this multiple "best in show" car turns heads wherever it goes. The odometer shows 66k original miles. Full documentation of every modification, oil change, service and upgrade are included along with most of the OEM parts all boxed up to go with the car, including the original rims, vinyl seat covers and interior pieces. In 2009 this car had a major change with the addition of the Diablo door conversion. This road ready, one-owner car, with its original factory paint is ready for a second life with a new owner. *Zoom Zoom*
