PRESIDENT'S LETTER

Note from Ray Mosher

We are finally driving topless! Well the Miatas at least are zoom-zooming around sans tops. The Mustangs and Corvettes will still have their tops up for a while, but we know a nice day when we see it. The ice cream season is well under way and we have at least one driving event under our belts.

We have made updated and split out the event leader instructions. Now there is one sheet for event leaders to follow and another for drivers meetings. Both are available on the club web site under “Club Business” as “Caravan Rules” and “Event Planning - Checklist”. Please have a look at the latter before your first driving event as it describes the caravan rules for those events. It is a lot more fun and safer for everyone when we all know and follow the rules.

Jerry Willis pointed out what looks to be a fun event. Remember the movie “The Great Race” with Tony Curtis, Natalie Wood and Jack Lemmon? (If you don't, check it out, it's great fun) Well there is a celebration of this actual race this summer that runs through CNY. 120 antique cars start in Buffalo on June 23 and run to Halifax Nova Scotia. On June 24th, they stop for lunch in Norwich at the Norwich Classic Car Museum. Many of us went to this museum a year or two ago on a club event. It sounds like a lot of fun. Let your Area Rep know if you are interested. The event is not part of our official club calendar, but if there is sufficient interest, it could become a pop-up event.

Let's get out there and enjoy the summer. We've earned it!

Ray Mosher
MMC President

REMINDER FOR HOW TO RESPOND TO EVENT ATTENDANCE

To help streamline communications for gathering who is attending our events we will require members to contact **the Event Coordinator directly AND copy your Area Rep** to help them plan for caravans from your area. You will **only need to respond if you are planning to attend**, but if you need to cancel last minute you still need to let both parties so they don't hold up the ride waiting for you. Please pay close attention to the contact info and deadlines.

Event Etiquette

If you have RSVP'd for an event, the event organizer is likely expecting you to attend and will wonder where you are if you fail to show up at the appointed time and place. If you end up not being able to attend, please let the organizer know. Otherwise, the whole group may be unnecessarily delayed waiting for you and it adds undue stress on the poor soul who is running the event. Also, if you contact the organizer on the day of the event, please don't use an email, use a direct phone call or text message. Thanks.

SPECIAL RECOGNITION

The article that follows is from our long standing member and former Area Rep that we'd like to share with all of you. Joe recently took the Honor Flight trip and we asked him to share his memories with you. Thank you, Joe, for your article and your service to our club and our country! You deserved this trip!

TWIN TIERS HONOR FLIGHT

The honor flight is a non-profit organization that takes veterans on a trip to Washington DC to see the different war memorials. To qualify for the honor flight you had to be a veteran of World War II, Korea, or Vietnam. I was a veteran of the Korean Conflict. This is the Forgotten War, which lasted thirty seven months, in which we lost 54,246 men. It was one of the bloodiest wars we were ever in.

I landed in Korea on my 20th birthday, six months after the cease fire. This is no place a young man wanted to spend sixteen months. If you had told me then that someday I would be buying Korean tires for my Japanese sports car, I would say you were crazy.

On May 12, 2018 sixty vets and their guardians left on a cold and rainy day from Broome County Airport. When we arrived in Washington the sun was shining and the temperature was in the 70's. It was a beautiful day. In the airport there was hundreds of people there to greet us with a band playing military music. It made you feel like a celebrity. We traveled in three buses with a police escort everywhere we went. Our first stop was Arlington Cemetery, where we watched the changing of the guard at the tomb of the Unknown Soldier. That was real impressive. We left Arlington driving by the Marine memorial and the Air Force memorial. Our next stop was the World War II memorial. We had seven men from WWII. These men, all in their nineties were something to watch. It was really quite emotional for those who were here for the first time. We had a box lunch here before we left for the Lincoln Memorial where we walked, or were wheeled, to the

Korean and Vietnam memorials. Many vets spent time looking for names on the Vietnam Wall of people they had known. This too was emotional for some of the vets. It got hot in the afternoon, reaching ninety degrees.

We then left for a return trip to the airport, where again we were welcomed by a bunch of people and a band playing. People were still coming up to us, like they had all day, shaking our hand, thanking us for our service. I never had my hand shook so much. We had our dinner at the airport before boarding the plane for our flight home.

On the flight home we had mail call. We all received letters from friends congratulating us. This was a surprise, just another little thing that these people did for us.

When we arrived back home we were escorted to Hanger #1, where we left from in the morning. It was filled with people welcoming us back. As we entered the hanger each Vet was individually introduced by name, branch of service, and when you served.

It was a great day and one I will never forget. Everywhere you went you were treated like royalty. I recommend this to anyone who qualifies. It certainly does a lot for your self-esteem.

Joe Lamphere

Marcellus Olde Home Days parade

Event Coordinator – Chuck Paul

EVERYONE LOVES A PARADE

Especially when there are Miatas in it. Don't know why but the crowd cheers when a large number of them drive by. Our record is 40....can we beat that?

The Marcellus Olde Home Days parade begins at 3 p.m. on Saturday, June 2nd. We will meet at 2:30 at the Sunoco Mini Mart on the corner of Route 174/175 (Lee-Mulroy Road) and Pleasant Valley Road in Marcellus. Bring candy to throw near, not at, the little ones along the route.

We will proceed on a scenic drive (to include 13 curves) immediately following the parade which will end at Skan-Ellus for ice cream around 4:30.

Those wishing more substantial food should arrive at Marcellus Park (just put in Platt Road ... just 1 block long). This is just .2 of a mile from the parade formation at the Mini-mart. It would be hard to get lost. Also, there are crafters and other vendors on Main Street all day so come early and enjoy.

Any questions...give me a call.

For more info call Chuck Paul at 315 673-4432 or 315 378-6018 (day of event).
