## *"MIATA MEANDERINGS"* NEWSLETTER

Volume 3, Issue 4

### PRESIDENT'S LETTER

#### Note from Karen McKissock

Summer is surely here now....no doubt about it! At last!!!

Gosh when I reviewed the June events reports I wonder how we had time to do anything but drive our club events!!! What a great problem to have, right? I feel so lucky to have so many members stepping up to coordinate events for us to participate in again this year. Here's a THANKS FROM ALL OF US to you all! The season started off a little slow but we're in full swing now. And there's a lot more to come in the coming months

I'd ask you all to check under the Rochester area events for some upcoming 'pop up' events they are available for all members to attend that are more 'local' in flavor as they typically are heading west or closer to the Rochester area. Check our website for details and contact the event coordinator for further information. They will also provide more details to everyone as the dates approach.

It would be great if each of the 'chapters'/areas do more of this kind of thing so we can get more cars on the road that would otherwise not participate due to distance and length of time for the ride. Ithaca also offers events that were not on the original schedule but that we should all consider to join in.

If anyone has an idea for a ride please contact your Area Rep or me and we'll see if we can help bring it to fulfillment. It's really easy and you can be paired with an experienced Event Coordinator if you need help.

Speaking of a great event, Gail Wagner and I would like to encourage everyone to join in the 25<sup>th</sup> Midstate Miata Club Anniversary Dinner Dance. It is August 23<sup>rd</sup> at the Geneva Country Club with cocktails at 6:00 and dinner at 7:00. It's a grown up party with a DJ, drawings, dancing and time for friends to spend a little more personal time together than we might have for our other events. The club is subsidizing some of the costs but we think the member cost is very reasonable for a fun Friday night. (Note: there is a tiny/cents price change due to how they calculate tax/tips. Apologies.) The registration is on the last page of the newsletter. Please send it in to save yourself a table spot.

Visit the Midstate Miata Club  
on the Internet at:

[www.midstatemiata.net](http://www.midstatemiata.net)

Til next month...get in that seat and drive away!

*Karen McKissock*  
*MMC President*

NOTICE: Deadline for the August newsletter is July 26th, Friday. This includes all post event reports and updated upcoming events. It is important that all August and very early September events are updated. Please sent them to [John.N.Amon@gmail.com](mailto:John.N.Amon@gmail.com)

### **REMINDER FOR HOW TO RESPOND TO EVENT ATTENDANCE**

---

To help streamline communications for gathering who is attending our events we will require members to contact **the Event Coordinator directly** **AND** copy your Area Rep to help them plan for caravans from your area. You will **only need to respond if you are planning to attend**, but if you need to cancel last minute you still need to let both parties so they don't hold up the ride waiting for you. Please pay close attention to the contact info and deadlines.

### **Event Etiquette**

If you have RSVP'd for an event, the event organizer is likely expecting you to attend and will wonder where you are if you fail to show up at the appointed time and place. If you end up not being able to attend, please let the organizer know. Otherwise, the whole group may be unnecessarily delayed waiting for you and it adds undue stress on the poor soul who is running the event. Also, if you contact the organizer on the day of the event, please don't use an email, use a direct phone call.

### **POST EVENT REPORTS FOR JUNE**

---

**Saturday June 1st Marcellus Parade at Olde Home Days**  
Event Coordinator -Chuck and Mary Jo Paul

Another Parade Passes By ...

Saturday, June 1st found 20 Miatas parading through Marcellus, without throwing candy (last minute parade rule) and receiving applause (we still don't know why). We were number 16 in a line of 49 units. Following the parade we paused in beautiful Marcellus Park and counted cars. While our number was less than usual everyone enjoyed the event. A short but scenic drive took us to Skan-Ellus for ice cream. Thanks to all who attended....looking forward to next year as I'm sure we'll be invited back.

**Sunday June 2<sup>nd</sup> -Watkins Glen Three Laps & Lunch**  
Event Coordinator - Gail Wagner and Steve Wilson

The sun may not always shine on our Miata Club events but the Miata Gods & Goddesses were smiling and the subsequent downpour held off amazingly until after our thrilling FOUR (count 'em, four, not three!) laps around Watkins Glen International race track. The sun even managed to squeeze out for a few minutes between ominous, roiling black clouds as we waited on "pre-grid" to get onto the track.

Our group of 28 cars were considerably delayed for our scheduled track time of 12:00 due to a earlier crash on Turn 2 during a Porsche Club race which necessitated a thorough track cleanup.

Never to miss a golden Miata opportunity, one of our enlightened members lobbied for FOUR laps instead of the three (thank you!) due to our inconvenience, cheerful patience, "pain and suffering" and it was granted by WGI management!

The pace car led us around the track in good speed and after our laps and photo op at the start-finish line together we headed to Watkins Glen waterfront for a delicious lunch, lots of smiles, good cheer and good conversation at the Seneca Harbor Station restaurant as the rain poured down outside. Great timing!

If you missed it this time, we'll do it again in September. Watch for newsletter info in the coming months.

**Saturday June 8th Sonnenberg Gardens & Mansion State Historic Park**  
**Event Coordinator –Dale and Cathy Angel**

Ten Miatas met Saturday morning, June 8<sup>th</sup> in bright sunshine and pleasant temps (just like every day in upstate NY) for a drive to and tour of Sonnenberg Gardens in Canandaigua, NY. We drove back roads to Canandaigua and met up with several cars from Rochester and Binghamton. Even a member who lives in Canandaigua stopped in to say hello. After a nice box lunch from Wegman's (Note, the most box lunches you can get in a Miata along with 2 people is about 25), we had a little history of Sonnenberg and then we enjoyed a tour of the mansion and gardens. Afterwards, some of us stopped for ice cream at The Creamery in Canandaigua to finish off a very nice day.

### **Wilson Boat House Ride and Lunch – June 15th** **Event Coordinators – Ron and Karen McKissock**

Back by popular demand for the 4<sup>th</sup> or 5<sup>th</sup> year a pop up event included 23 people/12 cars from Rochester and Syracuse to take a ride along Lake Ontario to a favorite lunch spot in Wilson, NY. We started out tops down under clear skies and proceeded to take a couple curvy, challenging roads as we got underway. About 1 ½ hours later we all pulled into the parking lot at the restaurant which was sadly pretty empty as a result of the lakefront flooding concerns. Rumors that they were closed has hampered their business again this year.

We had a delicious lunch and were glad to have generated some revenue for them as we love to make this trip each year. Unfortunately the little shops along the sides of the restaurant were closed again this year as they were under water again but here's hoping when we do it next year the water problem will be resolved. Also, optimistically, we may do a joint event there with the Niagara Club. Chuck Rischenole says there's some interest so we'll keep it in mind. Hope some more of you can join us next year as well.

### **Sunday June 16th Lorenzo European Car Club** **Event Coordinator –Bob Sabella**

A very wet day greeted the participants for the 2019 European Car Show held at Lorenzo State Park June 16<sup>th</sup>. The rain continued all day and limited the number show cars. However some brave souls did bring their MG's, Triumphs, VW's, Lotus's and Jaguars to name a few to be judged. During the time I was there, I had the only Miata on display. Two club members. Jerry Willis and Dick Flaherty arrived to walk the show but drove their OTM to the field. It was reported another Miata arrived after I departed.

Hopefully, next year the show will have better weather for attendance as this is a classic show to attend.

## Sunday June 23rd Midstate Miata Club Annual Picnic Event Coordinator –Karen and Norm Abbott

What a treat to have a nice day after such a rainy spring. We started out from the Tops parking lot in Dewitt. The caravan meandered through Jamesville, down Route 20, where we had a Miata waiting for us, and on to Skaneateles. After a quick stop for a break, we continued on through Auburn heading to our final destination, Fillmore Glen State Park.

Once at the state park, pyromaniacs Norm and Bob got the grills going as we put tablecloths out and set up for the food. Our total was 28 Miatas from all four areas of our club. With such a large club roster, lets hope the event keeps growing.

Steaks, burgers, hot dogs, kebobs, all made their way to the ready coals. We had a good variety of dishes that were shared by everyone. It is amazing what a wonderful assortment of food we end up with, and there is always more than enough. I have heard many supportive remarks stating how pleasant and easy this is to just show up and enjoy the ride and day. This is one of the events you do not have to commit to days and weeks ahead. The club pays for the Pavilion rental and even the \$7 per car entrance fee.

Many took a walk around the park as they walked off their hearty lunch. All enjoyed good food, good conversation, a good ride from their area, and great looking Miatas. Hopefully, it gave everyone a chance to meet more of the club members.

## **AUGUST EVENTS**

---

### **Sunday, August 4th North Rose Railroad museum** Event Coordinator – Bill and Nancy Lowe

North Rose Railroad Company, 10336 RR Ave., North Rose, NY

If you think model trains are simply for going in a circle beneath the Christmas tree, this is an event that will change your mind forever. For roughly a decade, Gary Poole has been transforming most of the first floor of a three story former welding shop in Wayne County, New York into his model railroad empire. At the moment, it occupies roughly 15,000-square feet of space and includes about two-miles of track.

Wind farms, urban and suburban scenes, construction sites, amusement parks and much more make up the highly detailed scenery that surrounds that Lionel-sized railroad track...all of it painstakingly created by Gary. He is so dedicated to this endeavor that he actually lives in a portion of the building housing his display. And he proudly shows it free of charge to any and all who want to see it.

For those in the Rochester area and points South and West of there, we will gather at the Medley Center parking lot in Irondequoit at 10:30 am on Sunday, August 4, 2019 to begin the run to Gary's place.

Along the way, we'll do lunch at Orbakers in Williamson...then on to the trains, planning to arrive in North Rose around 1 pm. Parking will be in the lot of (funeral home) from which it is a short walk to Gary's display.

It is suggested that those coming from Syracuse and other points East plan their own route as they are encouraged to join in this event.

Please contact me at 585-865-6158 or by email at: [blowe0542@gmail.com](mailto:blowe0542@gmail.com) no later than August 1, 2019 if you are planning to participate.

### **Sunday, August 11th Polo in Skaneateles** Event Coordinator – Chuck and Mary Jo Paul

Sunday, August 11<sup>th</sup> will be our annual pilgrimage to the polo grounds in Skaneateles. We will meet at Bob's Barbecue on Route 281 in Little York. Those attending may choose to arrive early and eat at Bob's or pick up great food to go and enjoy it at the polo grounds. In either case we will DEPART Bob's at 1 (a.i.s.m.r.) for a scenic drive to Andrews Road in Skaneateles where we will tailgate (I like anything chocolate if you are bringing anything to share) and enjoy the beautiful view prior to the 3 p.m. match. We can't promise but the past two years we have had a personal visit from John Walsh of tv fame who is also a player and team owner. Any questions.....Chuck Paul 315 673-4432 or [cpaul@twcny.rr.com](mailto:cpaul@twcny.rr.com).

Day of event 315 378-6018

### **Friday, August 23 Midstate Miata Club 25<sup>th</sup> Anniversary Party** Event Coordinator – Gail Wagner

This year's anniversary celebration will be a single night dinner/dance event as there's no room at the inn.....any inn for miles around. If you choose to stay overnight you will need to do your own search for a hotel. We have not been able to find anywhere and have been searching for months. We also recognized that although we had a 2 day event for our 20<sup>th</sup> party, only a very few people stayed over and participated in the brunch the following day. We hope you'll join us for a night of 'Miata family fun'.

Therefore we will proceed with our dinner, dancing, prize drawings, memory sharing and a surprise for everyone attending. Please register now!!!
